Compass Health, Northwest Washington’s behavioral healthcare leader, integrates behavioral health and medical care services to support clients and communities when and where they need us. Building on a century of experience, our team of highly skilled professionals is forging new, nationally recognized models of care. We address complex healthcare needs in partnership with first responders and other community organizations.

History
Established as the Parkland Lutheran Children’s Home in 1901, Compass Health has built on a century of experience to deliver behavioral healthcare services to more than 20,000 adults and children per year, across Snohomish, Skagit, Island, San Juan, and Whatcom counties.
