

# Snohomish County Mask Brigade

## Give Well Local is a COVID-19 Community Needs Hub

Many of our community resources are running short on crucial supplies to support the health and well-being of those they serve. Our goal is to connect those who have resources with those who have needs due to the current COVID-19 epidemic. Here organization's can post a need or add a resource and use the site to make a peer to peer match.

Due to a growing demand for cloth face coverings [givewelllocal.com](http://givewelllocal.com) is also providing a space for cloth mask makers to make donations that will directly serve those organization who are requesting cloth masks for those they serve.

## We're Working Together to Provide Cloth Masks to Organizations In-Need All Around the County

The Snohomish Count Mask Brigade, serves as hub to identify those willing and able to provide cloth masks, and then work together with community partners to directly pick-up and deliver cloth masks to organization that have identified this as COVID-19 related need. [Those organizations can be seen here.](#)

*GiveWellLocal.org and the Snohomish County Mask Brigade is hosted by Providence Institute for a Healthier Community*

## How it Works

---

### Donate Masks

Please check your supplies, if you have unused cloth masks or are able to make cloth masks [fill out this form: Mask Donation Form](#)

Follow the instructions on the form and a community partner volunteer will collect the masks from outside your door and get them to local organizations in need. Donations will be picked up each week on Fridays.

For instructions on making cloth masks, click here: [Sewing Cloth Masks - How-To Resources](#)

### If You Need Cloth Mask Supplies:

Some individuals and organizations are donating cloth mask-making supplies. [Check here to see what's available.](#)

### Volunteer to Drive

We also need volunteers to pick up and transport cloth masks to organizations in need. If you're interested in helping, [fill out this form.](#)

### Organizations in Need of Cloth Masks

[Fill out this form: post your COVID-19 related need](#)

(be sure to checkbox that says Cloth Masks)
